Sir, By the signature on his letter the author declares to be the sole inventor named in, and the applicant of, patent application 10/083,771 for the dynamic, snag resistant fishing weight, filed on 02/27/2002.

Due to said applicants novice understanding of writing claims, subject matter , which is fully covered in the operations section of the specifcation, was inadvertentley left out of said claims,which said applicant respectfully requests be entered into said claims by cancelling claims 1 through 5 and substituting 6,7and8 attached hereto. Thank you for your kind consideration.
